Tonight at eight you should of seen —

A chauffeur pulled in a rented limousine!

If they could see me now, — that little gang of MINE!

I'm drinking fancy wine and eating fancy chow. — I'd like those stumble burns to see for a fact — The kind of top drawer, first rate chums I attract.

All I can say is, "Wowee!.

Look at where I am! —

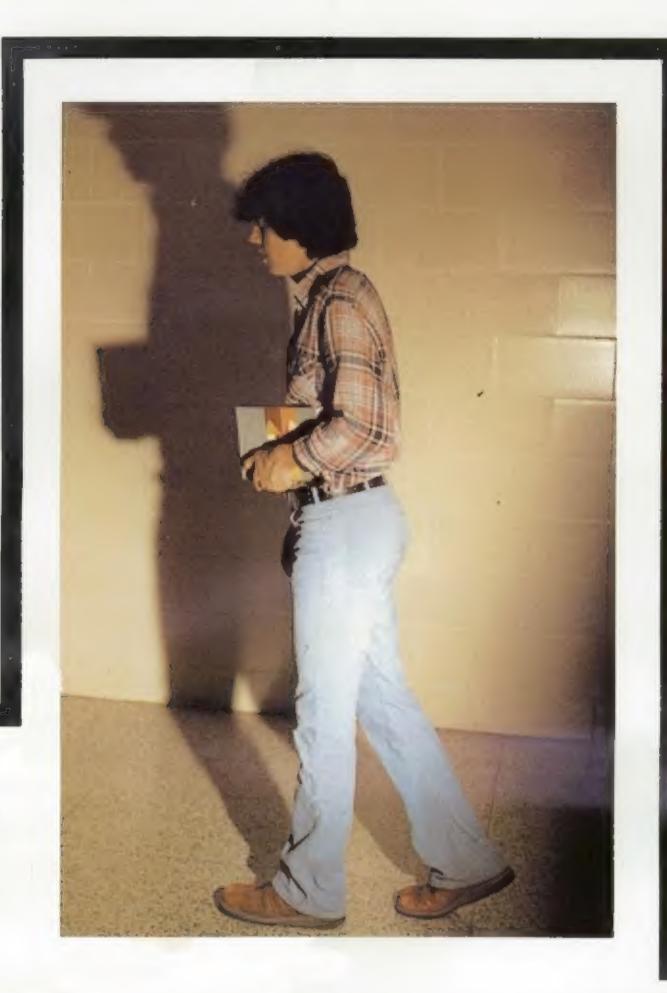

Tonight I landed pow! —

right in a pot of jam!"

Traipsin' round this million dollar turkey coop, —

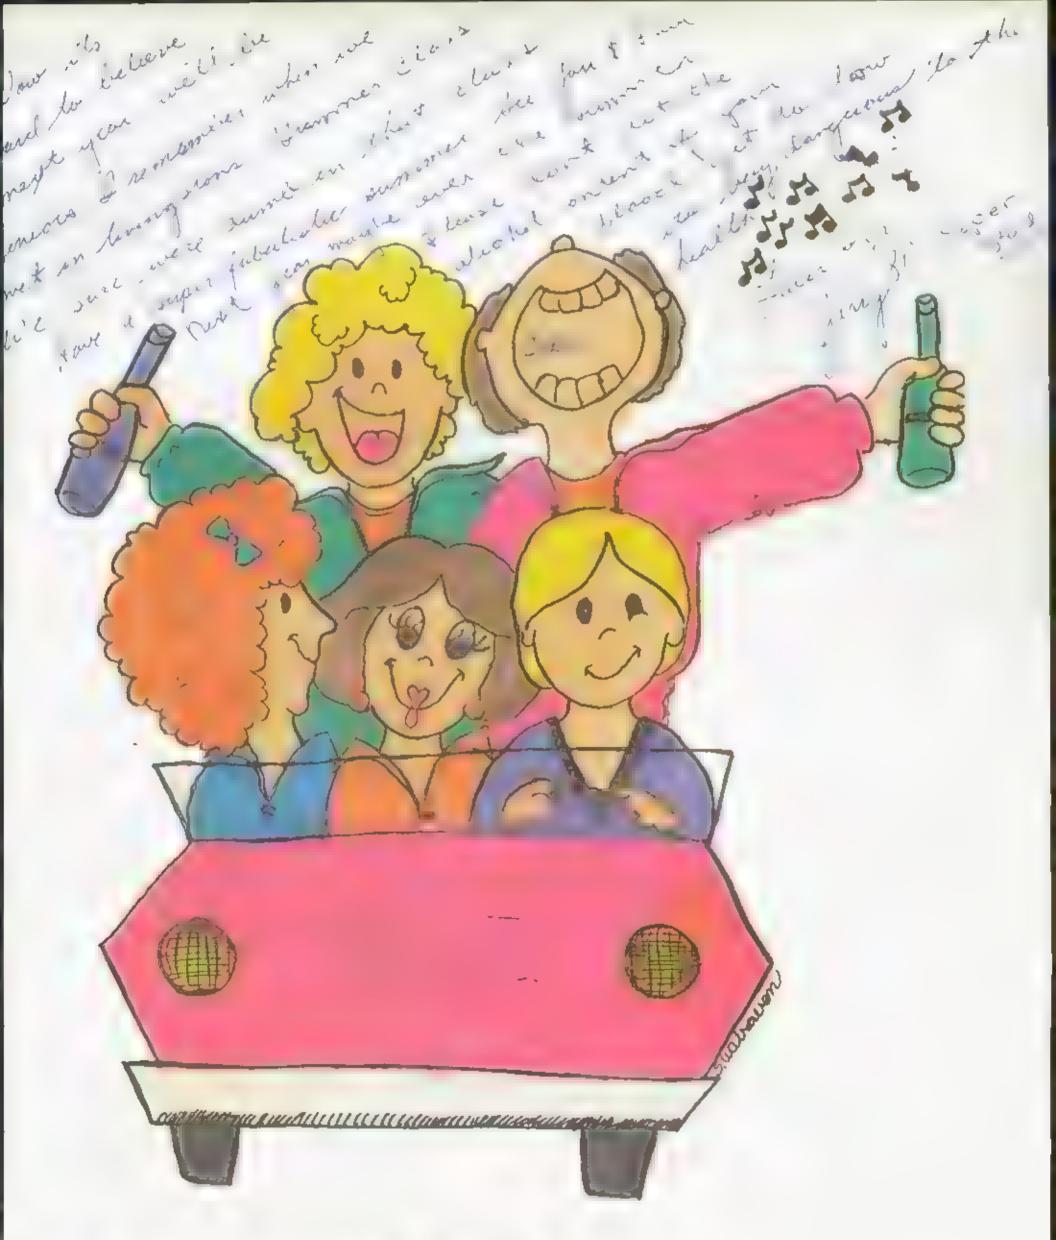

THEY'D NEVER BELIEVE IT IF THEY COULD SEE ME NOW!

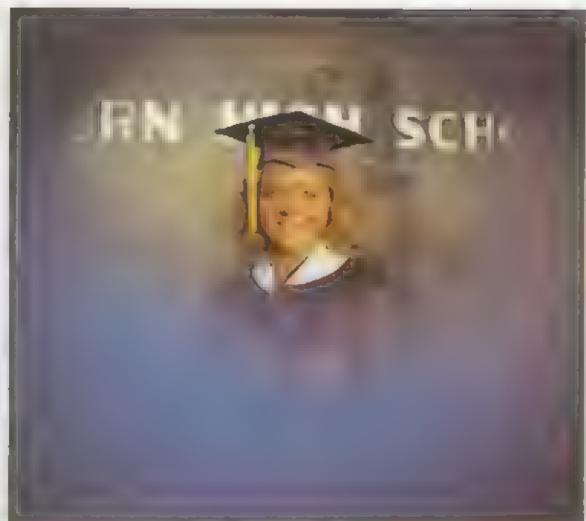

EATIN' FANCY CHOW AND

After Commencement students may go on to four more years of college or to a full time job, and it is a big change in leaving the security of a high school and of parents to go into a life of their own, their future For some seniors memories of high school and of grade school may be implanted in their minds, but others may wish to forget both. Baccalaureate and Commencement are always remembered by every senior for most of his life

Registration Is Just

Kim Franz and Beth Alarie wait to receive their schedules

Sue Braun and Terri Dubke order yearbooks from Mrs. Wilhite

This year registration was held on August 21, 23, and 24. The secretaries and yearbook staff helped registration to run smoothly once again this year by making I.D.'s, and handing out lockers, parking stickers, activity tickets, schedules, and selling yearbooks.

All the students were excited to see each other again and exchange stories of their summer activities

Smiles, hard work, enthusiasm, and dedication are what made the Western Majorettes give us such fine performances.

The majorattes provided a great deal of enjoyable entertainment. They performed at football and basketball halftimes, Halftime Highlights, and Celebration. In May they accompanied the marching band on a trip to Canada, performing at various stops along the road.

Future Looks Good for JV's

Jim Banaszak 'skies" for the tip

I swear I didn't do it," says Terry McNally, Kyle Briggs, and Scott Mar-

Western's J.V. basketball team started as an inexperienced group, having no previous competition due to a lack of sports programs as they came up to high school. But they also began with a great deal of enthusiasm, coming up with a 10 win 10 loss season against some very tough experienced teams, tying a record for most wins in a season.

It was a season marked by some tough close defeats by experienced and quality opponents which weren't decided until the closing minutes, some strong and respectable showings against Valley power and some big exciting victones as well, which all made it fun for Coach Harmon and the team

Highlights of the year include — an opening victory over Handy — winning the championship in the Christmas tournament at Ogernaw Heights; A 4-2 city series record by taking all 3 games with Handy and a late season thriller at Central; an exciting overtime win over Midland; and strong efforts in close losses to Clio, Flint Powers, and Flint S W.

It was a gratifying season as the Warriors countinued to improve and gain the respect of all opponents and established pride as basketball players at Western.

The greatest attributes or compliment for this team is their unselfish "team attitude" which is reflected in the statistics of balanced scoring, rebounding and assists.

Although still behind in experience, with continued hard work, improvement, and keeping the all important team concept, these players can represent Western well as varsity players in the future.

Because of the number of freshmen that tried out for the team, there was an A team and a B team. The A team consisted of 10 players while the B team had 14.

Through the hard work and long practices the teams never gave up hope while ending the season with a record for the A team and a record for the B team. All and all it was considered a good year.

Many of the players came from schools that had no extra curricular activities, so for them this was their first year for playing organized basketball.

For most of the team wrestling was a new experience, so a victory meant something extra.

The junior grapplers finished off with a 5-0 record for dual meets.

Next year we hope the JV's will use their experience for an even more outstanding year.

Missy Satkowiak shows her spirit

This year's cheerleading squad consisting of 6 girls did very well in competition. At Golden Eagle cheerleading camp they took 4 firsts, 2 seconds, a third and the spirit award. At Regional Competition, they placed second. With only 1 senior on the squad, they are looking forward to another good year next year

Western's Home Economics Department aids students in future career possibilities and helps to develop adult life skills. This year the department not only had classes that cooked, but also offered courses such as Independent Living Skills, Consumer "Money" Class, Exploring Childhood Careers and many others.

Consumer "Money" class, which teaches students about managing money and other things helpful in the future, furfilled a new one semester graduation requirement for many students

The art department is a great place for a number of reasons. Students are able to explore and use their imagination through the creative use of a variety of materials, tools and equipment Many of the skills learned in art can be put to use in everyday lives; such as refinishing a house or making a special gift for someone for just a few examples. Of course, those students who are interested in art-related careers will certainly be getting off to a good start!

Concentration, understanding and hard work are all a major part of science. Lab investigations, experiments and dissections are only a few of the ways of learning through experimentation. Science prepares many students for college. It also interests students who are just interested in science. There is a wide variety of courses to select from. The courses range from general science to physics

Business Courses

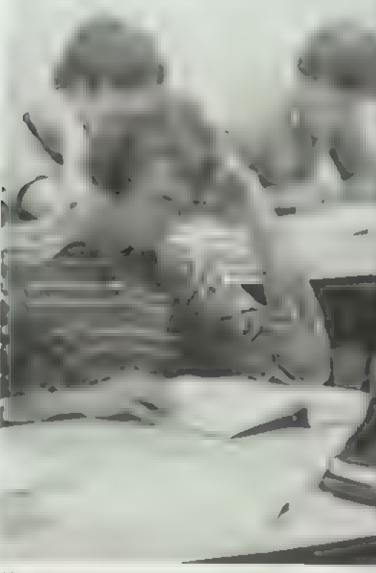

Laurie McGee concentrates on typing accurately

Denise Dueweke and Debbie Butzin do their warm-up exercises

The business education classes at Western offer students the opportunity to learn important skills such as typing accounting shorthand, record keeping, and the use of many business machines.

College students find typing and shorthand an essential for term papers and taking good notes. Students seeking a business career realize the importance of almost all of the business classes. These classes can prove helpful later in life for balancing check books and fling tax returns. Business classes can benefit all students who take them.

There are many classes offered: Gymnastics, Rhythm and dance, and Individual Sports just to name a few. Whichever one you decide on will be fun, so take a gym class and be on your way to a healthier year!

Seniors "Yea-Baby"

It all began four years ago when the class of 1980 came to Western as freshmen. We met many people, had many experiences, and saw many of ourselves and our friends change through the years.

We saw our school system and extra curricular activities change from full to gradually being eliminated to nothing Now in our senior year we're grateful to get back our extras," but they've still got a

long way to go

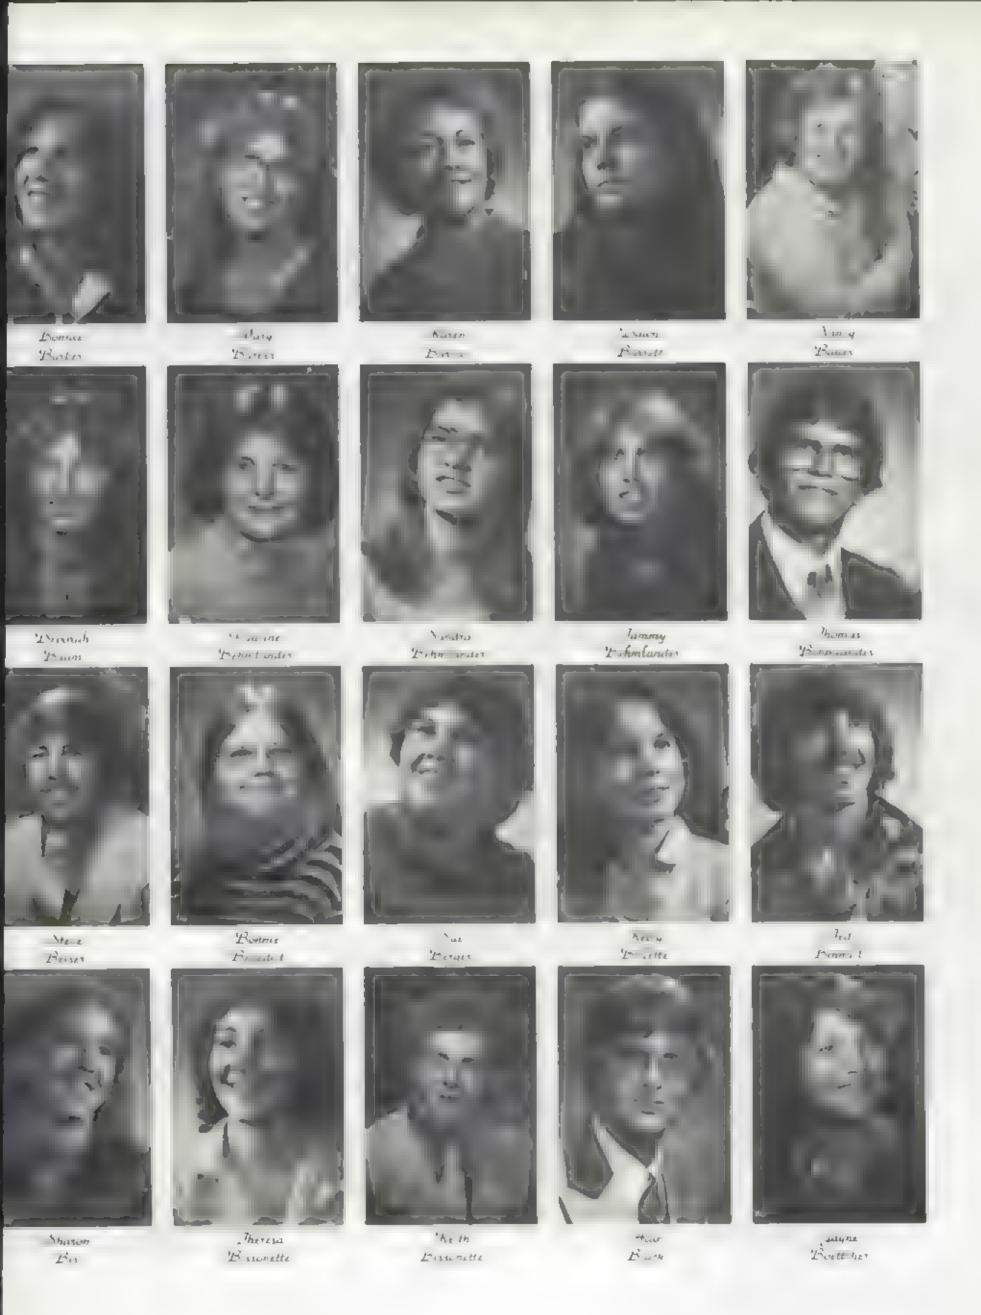

The year 1980 is the beginning of a new dacade, future and life for us. There are a lot of questions to be answered in the world today, and hopefully our class of 1980 will contribute toward some of those answers.

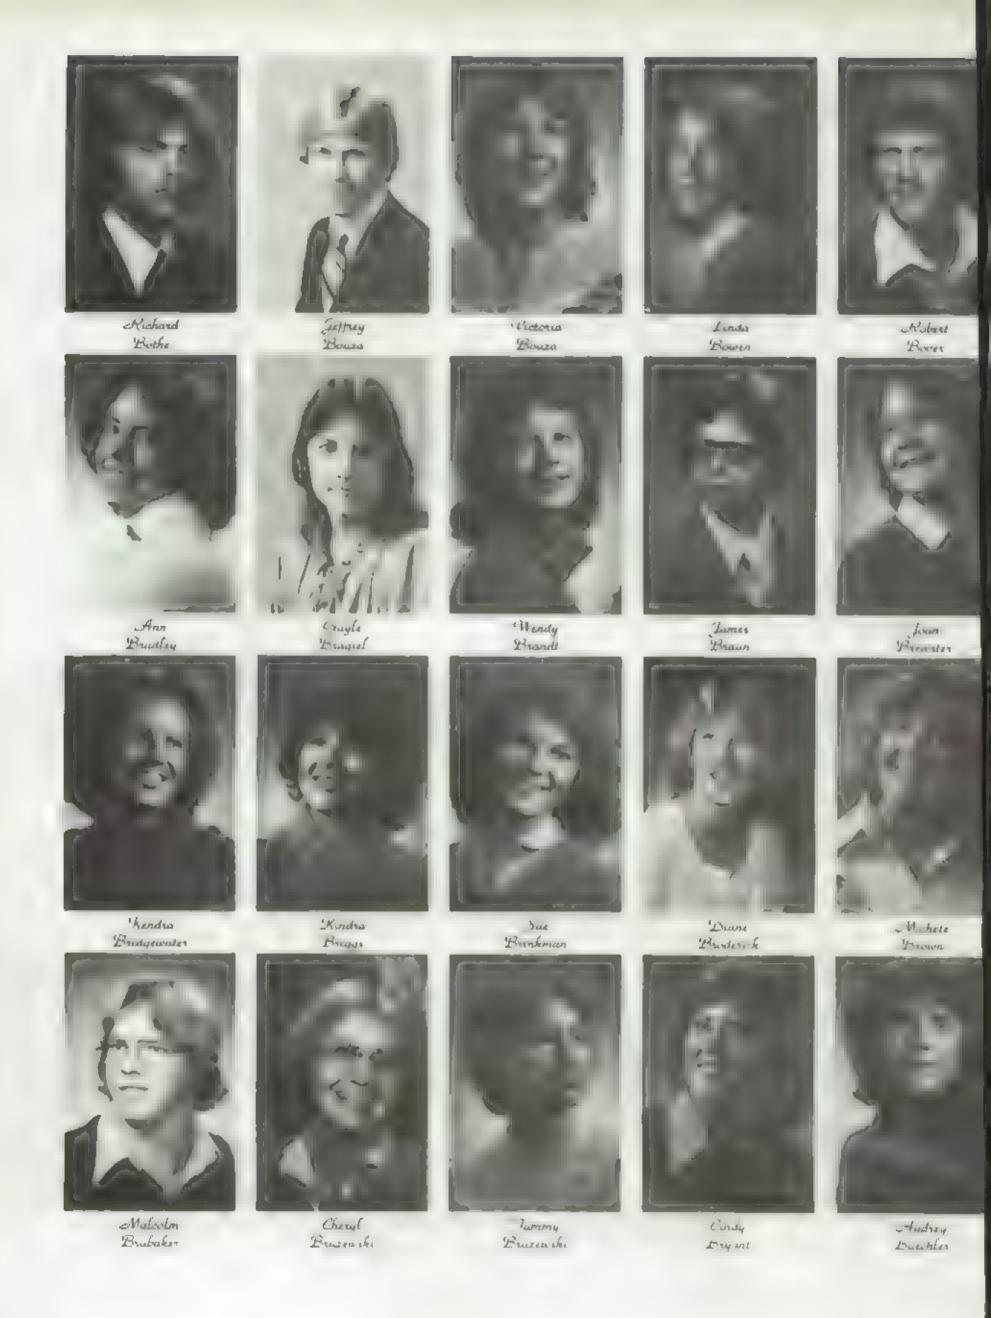

As we look back over the past four years we remember many memories, good and bad, and now we must look into our future and the future of our surroundings, and hopefully someday we'll be able to say 'yeababy' I made it'

It's Just the Beginning

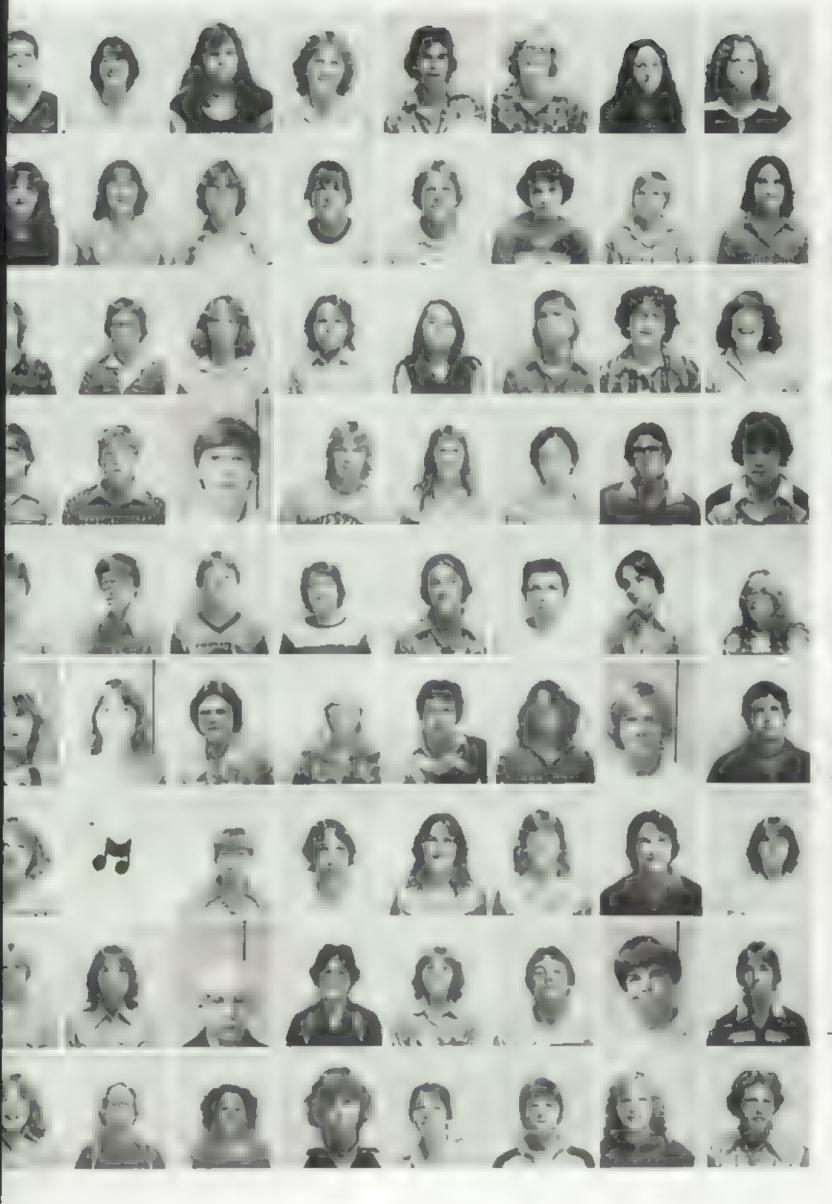

Front row: Deb Wishowski, Cindy Wessely, Mark Steils and Meianie Cook, Back row: Treasurer Kristle Boman, Secretary Sherry Dominowski, President Deb Abeare

The freshmen had to adjust to new school hours this year since they were on an afternoon schedule last year. An election was held in the fall to choose the freshman officers who would represent the class of 1983. Even though they were new and expected to be scared and quiet, they showed more spirit at the assemblies than the sophomore or the junior classes as they continuously pushed the seniors in the competition for the Spirit Jug. Never before had the freshman class been able to take second place. They should become a very active class

Board Has New Members

Or Eldon Clayman

Ken Kuizenga

Alex Murray

Kitty Ralph

Orville Reno

Katharine Serumgard

The board members are elected by the people. Most people think that the board members are paid for their services where in fact they are spending their own time to do services for their community without pay

Two big problems the board faced this year were the voting of the millage and the decision of a new Housing plan. The reason a new housing plan was needed is because of the declining enrollment which lowered the school population in Bay City considerably

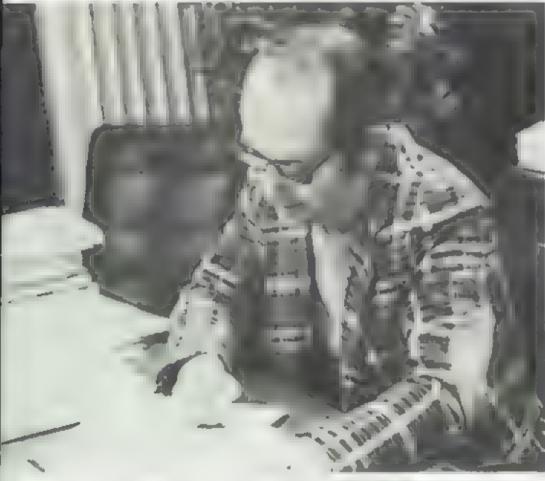

Board president is Eugene Stewart

Administrators Are Hard at Work

Mr. Bryant tries to look busy with a smile on his face

Mr. Bloenk doesn't look very enthused

Mr. Langenburg takes a break from his busy schedule

The students here at Western don't realize what a nerve-racking job administration can be These three men have most of the decision making that they feel is best for the students. These three men are the backbone of Western

They are always busy with skippers, schedule conflicts, and many other problems that concern everybody. These men are very important people at Western High. So have a little consideration for them; they are only doing their job because without them we might not have what we have at Western

Special Services Help Students

Mrs. Waynee takes a break from social working

Mr. Davidson doesn't seem to mind having his picture taken

There are five special services at Western. They are all in different areas and help everyone in many ways. Mrs. Waynee is a social worker, Mr. Davidson, Dean of Students, Mr. Pryzbylski takes care of Career Research Development, Mr Jacobs, Co-Op, and Mrs. Hoag is head librarian

Mrs. Hoag is head librarian

Mr. Pryzbyisk-checks-up on some information

Mr Jacobs is head of Co-Op

Counselors Plan Future for Students

Mr. Mosher looks up from his paper work.

Mr. Gavrita looks serious for the camera.

Mr. Brissette takes a break from his busy day

Mrs. Davis counsels students through school

The 1979 school year was a complete change from last year. We had four different counselors. They were Mr Mosher who took care of ABCDEF; Mr. Gavrila took FGHJKN: Mr. Brissette took ILMOQR and Mrs. Davis took PSTXW. I'm sure that every student would like to thank them for doing all they could to help them through the school year

Secretaries Keep the School Moving

Working diligently at her typewriter is Mrs. Banker, secretary for Mr. Bioenk.

Mrs. Hanczewski is secretary for Mr. Bryant

The secretaries of Western High School play a very important part. They receive all the calls letters and messages. As the slogan goes: "Behind every man of success there's a Woman." That's how you would have to describe these secretaries.

The secretaries are Deb Hanczewski for Mr. Bryant; Maxine Barker for Mr. Bloenk and Mr. Langenburg; Carol Babourin, switchboard, Dorathy Dehmann, high school records; Eileen Doan, Guidance Center; Ruth Wilhite, general secretary; Sue Thomas, library and Kay Linda attendance clerk

Taking care of the absentees in the attendance office is a dammer.

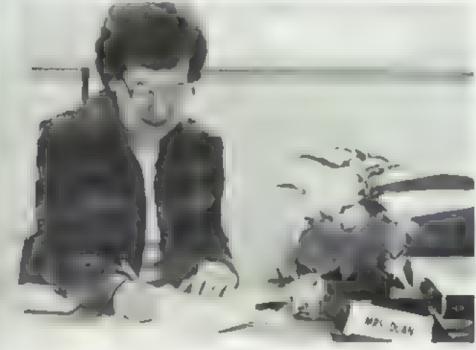

Mrs. Thomas keeps things together in the ilbrary

Here Comes

Rose Simons is caught moving from one job to the next

"Use it up; wear it out; make it work; or do without" is the motto of our very capable custodian staff whose jobs took them into all the corners of our school. Working long hours every day, they provided a valuable service in keeping our school clean. Though we sometimes took them for granted, without their work, our school could not have functioned

Getting ready for the day is Leonard Bellor

Rose Simons, Donna Zessin, and Leonard Bellor discuss the day's work

What's Cookin?

Geraldine Bowen helps out in the kitchen

Even with only fifteen minutes for lunch, the cafeteria puts on a great lunch program with one of the favorites being pizza. There was always chips, milk and different kinds of snacks to choose from

Western High School is very fortunate to have these women as part of their kitchen staff

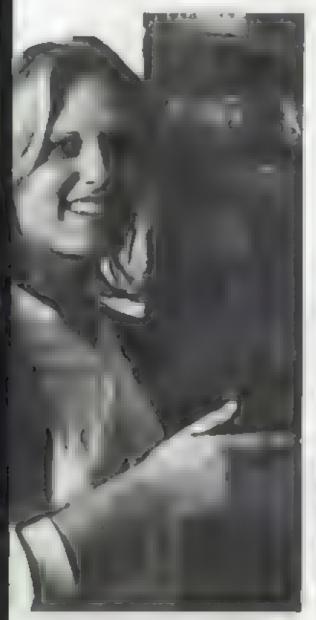

Olive Rasmer puts the finishing touches on the trays

Beck row: Rita Reiss Vi 8 gford Virginia LaVasseur and Grace Ferguson Front row: Doris Bedelf, Olive Rasmer, Mary Ellen Matuszewski, Geraldine Bowen, and Alice Kozuch

Hall Monitors Watch and Wait

Directing traffic is Penny Wahlfeldt

Tom Morand checks every little room for students skipping.

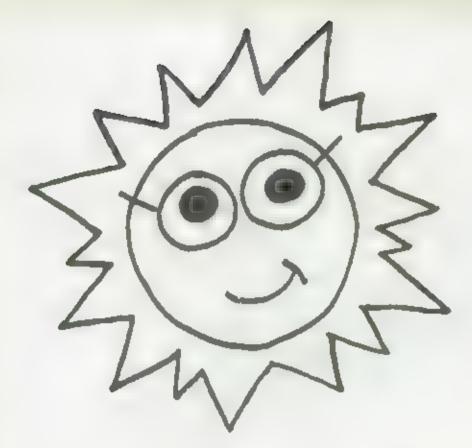

College Gorski poses for a picture before hitting the halfs again.

Charlene Flores is one of Western's newest hall monitors

The hall monitors are a great help to Western High. They keep the noise and number of students down to a minimum during classes. After classes they watch and wait for students running in the halls. They also keep an eye on the parking lot for possible vandalizing, or possible skippers

Without the hall monitors Western High would be a playground instead of a school. The hall monitors can be your friend if you just obey the rules of the school.

Many thanks to the following...

CLOWNS, CLOWNS...

The picture featured on this month's cover represents the very first automobile insured by Endline Insurance Service of Auburn, Michigan. It also represents the Endline's newest advertising gimick—clowns!

Clown murals have been painted ill over the outside of Ken and Diane Endline's combination office and home. Ken said that the clowns have not only been good for the business but he also thinks they have given his clients a more cheerful attitude

"We all really love him

For he always wears a smile

And the funnier his makeup

The more he is in style

May your forth coming Holidays

Be happy ones."
